Japan Earthquake

Back in 1974 I had in vision of a massive earthquake Japan. In this vision the lord spoke to me about a financial meltdown in Japan that would affect the rest of the world. Right now Japan is trying to stop a meltdown in one of its nuclear reactors. This catastrophe could trigger another financial crisis greater than the last one. We need to be alert and aware of the purposes of God in this hour.

1 Chronicles 12:32 And of the children of Issachar, which were men that had understanding of the times, to know what Israel ought to do;

Change is in the air

This year marks the beginning of change in a profound way. It is time to move on.

Deuteronomy 2:3 Ye have compassed this mountain long enough: There comes a time when God cannot or will not wait any longer; it is either move on or go back. This time of change requires new standards of holiness, a new accountability in stewardship and a more efficient disciplines in place in our lives. Many are about to take new ground and move on in the Lord, but we must have in place those things that will enable us to hold this new ground. A new prayer level, a disciplined prayer routine is required in order to hold the ground that the Lord wants to give us. We need to build a new alter of incense in our lives in order to live in the manifest presence of the Lord.

The cascading ripple of changes in the Middle East will allow the reshaping, and aligning of many of the Goat Nations. Alliances will be made that will forge and reshape the world. This reshaping is part of the alignment of Nations and Religions. Many compromises will be made over the next few years which will serve to form a one world order and a one world church. Compromise is the battle of the hour; we need to pray for our respective Governments and Presidents. This has ramifications in or personal lives as well which will decide where we will be in God in the years to come. The spirit of compromise must be recognized and stood against. We all will be tested on this front as it continues to sweep the world and the church. Holiness cannot be compromised, the watering down of God given standards have slowly eroded many Charismatic or Pentecostal churches to the degree that it is difficult to see any difference between the standards of the world and the church, this cannot continue. God is about to shake and remove everything that can be shaken.

Psalms 11:3 If the foundations be destroyed, what can the righteous do?

Psalms 11:4 The LORD is in his holy temple, the LORD'S throne is in heaven: his eyes behold, his eyelids try, the children of men.

Psalms 11:5 The LORD trieth the righteous: but the wicked and him that loveth violence his soul hateth.

Psalms 11:6 Upon the wicked he shall rain snares, fire and brimstone, and an horrible tempest: this shall be the portion of their cup.

Psalms 11:7 For the righteous LORD loveth righteousness; his countenance doth behold the upright.

The glory of the lord will be manifested in many places around the world this year; this along with the fire of God will be part of the preparation which precedes the harvest.

Hebrews 12:26 Whose voice then shook the earth: but now he hath promised, saying, Yet once

more I shake not the earth only, but also heaven.

Hebrews 12:27 And this word, Yet once more, signifieth the removing of those things that are shaken, as of things that are made, that those things which cannot be shaken may remain.

Hebrews 12:28 Wherefore we receiving a kingdom which cannot be moved, let us have grace, whereby we may serve God acceptably with reverence and godly fear:

Hebrews 12:29 For our God is a consuming fire.

Hebrews 13:1 Let brotherly love continue.

Haggai 2:7 And I will shake all nations, and the desire of all nations shall come: and I will fill this house with glory, saith the LORD of hosts.

Haggai 2:8 The silver is mine, and the gold is mine, saith the LORD of hosts.

Haggai 2:9 The glory of this latter house shall be greater than of the former, saith the LORD of hosts: and in this place will I give peace, saith the LORD of hosts.
