Dear Saints,

Greetings once again from the Luthra's.

Thank you for praying for us, in the month of March, the Lord asked us to come to Israel and do a prayer journey for Israel and also went to Egypt. There is a lot happening in the spiritual realm that we need to be aware of, the Bible says My sheep hear My voice, keep your ears listening to His voice. So please be praying for Israel and our Nation... I have been really burdened for our nation. I sense a great unrest in our nation and the church worldwide. . Also keep us in your prayers I would like to share this word with you,

The Shakenings

As I was waiting on the Lord this last week, and pondering about all the shaking that is going around us, I was reminded of the scripture in Haggai 2: 6, 7, Whatever can be shaken will be shaken "For thus says The Lord of hosts "Yet once more I will shake the heavens, the earth, the sea, and the dry land, and I will shake the nations'

As I read this scripture, I thought of how many people that I have come in contact with and have spoken to are going through a shaking, The Scriptures says That the judgment of God will start in the house of God, and we always relate it to a building or a ministry or a church, who is His church, we are His Church, the shaking that is being felt in our lives , is from the Lord, He is purifying us, for His Kingdom, He is separating us, the sheep from the goats. So if you are in the shaking, there

is no use asking God not to shake you, because it is His will, Purpose and Power to do it, so that only the things that cannot be shaken will be left.

See today people's confidence is in their callings, their Ministries, and their gifting. The scriptures tell us not to love the world, or the things in it, if our hearts are set on the world and the things of it, the love of the Father is not in us and we will not stand up under the pressures of the shaking. God wants us to build our house on the Rock.

See the shaking that comes from God is always very unpleasant but if we yield to His discipline, we will be purified and therefore ready to usher in His Kingdom when He comes. So before his coming, The Lord asks us to do two things, He said "Watch" and "Pray". In Luke 21: 36 "Watch ye therefore, and pray always that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man"

As I thought of the word "Worthy" most of the times we think of a person who is worthy, there is something about them that is different from other people, that they are worthy of it. So I looked up the word "Worthy". Have you heard a saying that

says this ship is seaworthy? It means that this ship is so constituted, so strengthened that it can buffet the sea rolls, and roars and beating of the sea. And so it is seaworthy. In other words it has the power to prevail the storms. Same way 'Pray and watch that ye may be worthy. "

Worthy of what?

Your spiritual Vigor, pray so that you may have it, to make you seaworthy of your storms you are in now and ones to come. We are beginning to feel the storms, anybody who is at all alert to the spiritual reality, I am sure must be conscious of the disturbances in the realm of the spirit over us, that we did not have this a few years ago.

Church we are living in the realm of the spirit above us and that is the place of warfare, warring against the powers of darkness. So please pray that you have spiritual vigor, faith, power and strength to carry you through the times to come. We need to remember we need to press on and forget those things which are behind for the mark of our high calling, because there is a prize that awaits us; we need to work hard to becoming His Bride.

We love you and pray for you that through your times of shaking that you may not lose your faith.
