Embrace the shaking

A word given by the lord to me for the body

1Thes 3:13 ‘And establish your hearts without fault in holiness before God Our Father at the arrival of Our Lord Yeshua The Messiah with all of His Holy ones’

There is a cry for holiness as never before, so that, **1 Thes 3:13** says we will be grounded and established in the days to come for the arrival of Our Lord. This is a season to embrace His shaking for without it we will never be established in holiness, as to prepare us for His coming. Each one of us is expected to possess his own vessel in holiness and honor, we will have ears to hear and eyes to see as we prepare our vessel, for the Bride must make herself ready.

2 Thes 1 : 10 ,11 1. Whenever he comes to be glorified in his Holy Ones, he will show his wonders in his believers, because you believed in our testimony that

was for you in that day.

11. Because of this we always pray for you that God would make you

worthy of your calling, and all the pleasure of goodness and the works

of faith in power would fill you entirely,

The Lord plans to be glorified in His Holy Ones, that's why the season for preparation is very necessary. The Shaking's of the Lord for the breaking down of what has been previously built, in order to build the new, is greatly necessary to remove the rubble. There is a solid foundation that will be built to build this house of holiness where The Lord will increase His dwelling and establish Himself complete in us, it is not time to sit around and wait for a rapture to come, we are to be prepared by the Lord to establish His Kingdom on the earth.

So according to **2 Thes 1:10** , He will show His wonders in His believers. It's time to increase our faith by letting go of what has passed; ask God for His eye Sava to heal your eyes for there is much to see. You Know, it is not an easy thing to throw off an old garment or get in the moving waters that the Kingdom of God is stirring. Many are crying out right now because of coming out of a tremendous season of great warfare that has seemed to go on for years, I want to encourage you the "Healing waters" are stirring, and God hears your voice. If you will just make a decision in your heart to look at Him, He will apply the eye Sava, you will begin to see the healing waters, and with little strength you can plunge in.

Great refreshing is coming in this next season for the purpose of deep healing, many will be healed as they go ,like the cripples man that Jesus said to pick up your bed and walk, and as the man walked carrying his bed, he was healed . And found a place to set that bed down to never pick it up again, it's in those first steps into your healing that will also increase your faith as well.

Moving is a must to any kind of wellness even in the natural, what is the first thing that happens after a surgery, they want to get you up and get you moving, because they know it is vital for your recovery. It is the same spiritually, even if you're Pinky finger is the only movement, it is enough, that's your Mustard seed. You can even move a mountain with that little finger, what seems small to us, is more than enough for God to start the journey, and you will find He will build strength upon strength. Once a foundation is laid the building goes up very quickly, have you ever seen the stages of a building project, it seems to take forever to even break ground, many permits have to be pulled before the foundation can begin.

But once the Preliminary work is done the building is completed before you know it. One minute you see a foundation the next time you see the building is complete, and you think to yourself WOW that went up fast, that is what will take place for those who will give Him permission to pull the permits to posses His soul and submit to God, as His loving hands begin to build His house which cannot be shaken.

Heb 11:10”Abraham looked for a city which had foundations, whose builder and maker is God.”

God Himself is building this house; this house is being built to sustain the strongest of winds that the enemy may send against it. Even the very gates of hell shall not prevail against it. God is just waiting to have permission from us to pull the permits, once we give ourselves over fully to His shaking, He can establish this Holy House to dwell in. Then the building begins, brick by brick.

I am reminded of a song right now that my heart is singing “Lord I give you my heart, I give you my soul, have Your way in me, every step that I take every moment that I am awake have Your way in me’.

Let’s give Him every part of us this year and take every waking moment to walk with Him, letting Him have our hearts completely so that He can rebuild the remains, and establish His temple in you and me in which to dwell.

I leave you with this reminder **Isaiah 43:15-21**

¹⁵I am the LORD, your Holy One, the creator of Israel, your King.

¹⁶Thus saith the LORD, which maketh a way in the sea, and a path in the mighty waters;

¹⁷Which bringeth forth the chariot and horse, the army and the power; they shall lie down together, they shall not rise: they are extinct, they are quenched as tow.

¹⁸Remember ye not the former things, neither consider the things of old.

¹⁹Behold, I will do a new thing; now it shall spring forth; shall ye not know it? I will even make a way in the wilderness, and rivers in the desert.

²⁰The beast of the field shall honour me, the dragons and the owls: because I give waters in the wilderness, and rivers in the desert, to give drink to my people, my chosen.

²¹This people have I formed for myself; they shall shew forth my praise.
