We see many people today that are of different spirits, we remember the story , when Moses sent out the 12 to go spy the land ,10 came back and gave a negative report, but Joshua and Caleb gave a different report, why is that , they were of a different spirit.

The 10spies report caused fear and rebellion to rise up in the midst of the people, which caused them to die in the wilderness. Joshua and Caleb were the only two who were led by the Spirit of God, versus the spirit of fear. They were the only ones to enter the Promised Land from their generation.

So I would like to ask you a question, Are you a person led by the Spirit? Romans 8;13,14 says

For if you live according to the sinful nature, you will die; but if by the Spirit you put to death the misdeeds of the body, you will live, because those who are led by the Spirit of God are sons of God. See this verse tells us that those who are led by the spirit are the sons of God, that is good way to check and see are you a son of God or your own son.

See Caleb and Joshua they had a different spirit and they followed God whole heartedly. Because of that they inherited the promise land. They were led by the promise of God's word Rather than fear.

Many would like to enter their promise land but they miss it because of Fear, see fear will prevent you from entering into what God has promised them. See have a promised inheritance that God has for us, and the way to get it is to be led by the spirit, not by fear , reasoning or your own skills, so make a commitment to be a person who is led by the spirit and go into your promise land.
