I recently had a dream that has deeply touched my heart that I would like to share with you so that you can pray with me.

In my dream I was watching these two young boys (brothers) that were about 4 years apart in age, 6 to 10.

As I watching them gather their fishing poles and water skies to enjoy the day, all of a sudden the whole atmosphere changed.

The sky's turned dark and I could feel terror all around me.

As I looked up in the sky. I saw **Air Force One**, and I knew in my spirit, that it was fleeing, as in a state of emergency.

The size of the **Air Force One** was so huge as it was stretched in the sky,(I believe the size of the hugeness, meant what was happening was very massive).

I knew Russia was involved in what had just transpired, I also

new it was September 24th. (I don't know the year).

As I continued to look up in the sky, to the right of the sky, I saw an alien craft just as massive in size,as **Air Force One**, it looked like the same craft that was in the movie Independence Day.

Everything was in turmoil, and I realized we were under an attack, And every one began to run for their lives.

As I was running, I passed a group of Jewish people who were not aware of what was happening. I began to tell them to flee that the nation was in turmoil and under attack.

At that moment I realized they did not speak any English so I began to search in my mind what one word could I speak that they would understand. I screamed out 9/11, but they didn't understand.

I kept searching as to what to say, so I said a Bomb, and they finally understood and began to run too, realizing what was happening.

I woke up in shock from the experience.

Since the dream, I have been praying and asking the Lord for the interpretation.

So far the Lord said, the young boys outing represented a normal everyday life in our country. All that changed in a moment's time. Suddenly the life we were use to was gone.

The alien craft from the movie Independence day, means our freedom was lost and so was our of our independence.

My heart has been affected by this dream, with an impediment.

Please share this so many can be praying. "The Lord is able to do abundantly more than we can even ask."--

Please keep us in your prayers.

We love you

Much Blessings

Lu & Cynthia
